CENTRALIA BUSINESS & PROFESSIONAL WOMEN

LOCAL ORGANIZATION OF ILLINOIS FEDERATION OF BUSINESS WOMEN'S CLUBS, INC.

"Women Helping Women"

bpwcentralia.org

FROM THE PRESIDENT

June 2018

I want to thank you in advance for your support and trust to lead this organization. Stay tuned for some upcoming changes!

My theme this year is "Educating and Empowering Women Forward." We've made great strides in the past year and I want to continue forward to new goals and progress.

To give you a preview, here are some of my goals for the coming year:

1. Continue to grow membership participation and help members develop relationships with each other
2. Continue growing our Centralia BPW brand. We have a new visual identity and its time to get more awareness about our group in the community. We are a great group of ladies who can do amazing things.
3. Let's continue to boost membership through new recruitment activities, networking and fun.
4. Fostering new programs that help educate women on professional and personal growth. We do a lot of community services, but it's time to give back in a new way. If we are prosperous business women, our community will prosper too. What do women need right now to follow their

dreams? Networking? Workshops? Leadership opportunities? This club can accomplish all of that.

I look forward to the coming year and encourage member involvement. Thank you for this opportunity.

 Be sure to follow us on Facebook!
